a memory of Italy, May 2003

a memory of Italy, May 2003

In the spring of 2003, a pair of sisters and their husbands descended on Florence, Italy, to take advantage of the presence, the hospitality, and the expertise of their daughter/niece, then in the dwindling months of her Fulbright year.

Hilarity ensued.

This book is a brief chronicle-in-pictures of that *avventura italiana*.
